You ski in a comfortable open-stance parallel on all blue and less challenging groomed black terrain. You're developing edge control and can vary your turn shape. You can link turns in easier bumps but have difficulty in moderate to larger bumps and in heavy/wet snow. You're working on improving your turn technique and body position.

SKI-LL 8

You ski the "fall-line" in balance on all groomed runs. You're developing advanced carving and edging techniques and can vary turn shape at a variety of speeds. You ski moderate bumps and light powder in control.

SKI-LL 9-10
